

Peace Njoku, PMP

PUBLIC HEALTH RESEARCHER & CONSULTANT

Professional Summary

Public health researcher and PMP-certified consultant with over a decade of experience across federal contracting, supply chain, public education, and global health. I build the surveys, run the analysis, and design the dashboards, so the findings hold up and the reports stay useful after I leave. Currently completing an MPH in Global Health at Emory University.

Education

Master of Public Health, Global Health, Emory University

ROLLINS SCHOOL OF PUBLIC HEALTH — EXPECTED MAY 2027

Data Science Certificate · WASH Certificate

Bachelor of Arts, Sociology, York University

TORONTO, CANADA — MAY 2014

Research Experience

Graduate Program Evaluator | Hubert Global Health Trust

JAN 2026 — PRESENT · Rivers State University Teaching Hospital, Port Harcourt, Nigeria

- Designed the study, built the survey instrument, secured IRB approval, and obtained grant funding for an evaluation of a new newborn screening program for sickle cell disease.
- Surveyed 249 pregnant women and hospital staff on what families know about screening, whether they would accept it, and what stops them.
- Analyzed the data in R and built a dashboard for hospital leadership.

Graduate Research Assistant | Rollins School of Public Health, Emory University

AUG 2025 — MAY 2026 · ATLANTA, GA

- Designed and ran a survey study of mental health among graduate public health students.
- Managed sampling, instrument design, data collection, and analysis in R.
- Built visualizations that made the results clear to readers without a statistics background.

Graduate Research Assistant | Georgia Tech Create X, EGCA Consulting Team

JAN 2026 — MAY 2026 · ATLANTA, GA

- Conducted product-market analysis to support organizational expansion.
- Mapped which market segments the program could realistically grow into, and which it could not.
- Delivered competitive analyses and stakeholder maps that fed into the growth strategy.

Research Experience, continued

Program Design Volunteer | Open Arms
DEC 2019 — PRESENT · RURAL WEST AFRICA (REMOTE)

- Run community needs assessments across rural West Africa to identify local health priorities.
- Designed outreach programs reaching 2,000+ community members in partnership with local clinics, NGOs, and community leaders.
- Build Power BI dashboards and reports showing funders and partners what their money achieved.

Consulting Experience

Founder & Principal Consultant | ASARE LLC
JAN 2018 — PRESENT · ATLANTA, GA

A public health consulting firm serving nonprofits, community organizations, and government agencies. We deliver program research, evaluation, and implementation.

Project Manager, School-Based Mental Health Services | DeKalb County School District
DEC 2023 — PRESENT · DECATUR, GA

- Grew the district’s school psychologist workforce from 44 to 63, a 40% increase in under two years, through recruitment pipelines with regional universities and state certification bodies.
- Manage a \$3M federal school-based mental health grant, covering budget, vendor contracts, and quarterly reporting to the U.S. Department of Education.
- Built the Power BI dashboards district leadership uses to track retention, training participation, and program outcomes.

Project Manager | U.S. Department of Justice
FEB 2019 — MAR 2022 · REMOTE

- Led the rebuild of the Department of Justice public website, coordinating developers, UX designers, and content strategists from requirements through launch. Public engagement rose 25%.
- Rewrote dense policy and legal language into plain English that met federal accessibility standards.
- Ran sprint planning, change control, and stakeholder communications across concurrent federal projects.

Supply Planner | Univar Solutions
JUN 2015 — FEB 2019 · ATLANTA, GA

- Forecast demand and supply for a \$50M inventory portfolio of medical chemicals across 10+ U.S. distribution centers.
- Built tracking dashboards that cut stockouts by 25% and reduced obsolete inventory by 18%.
- Reported the operational metrics leadership used for planning.

Leadership

Orientation Group Leader | Emory University AUG 2026 — PRESENT
President | Emory Global Health Organization AUG 2025 — PRESENT
Board Member | Student Honor Council, Emory University AUG 2025 — PRESENT
Treasurer | The Collective at Emory OCT 2025 — PRESENT
